As embodied in the Fourth Tradition, the formation and operation of an A.A. group resides solely in the group conscience of its members. While hopefully every A.A. group adheres closely to the guiding principles of the Twelve Steps and Twelve Traditions, Santa Cruz County Intergroup neither monitors nor oversees the activities or practice of any A.A. group. Groups listed in our directory or web site appear at their own request. An A.A. meeting listing does not constitute or imply approval or endorsement of any group's approach to, or practice of, the A.A. program by Santa Cruz County Intergroup.
