*Having had a spiritual awakening as the result of these steps, we tried to carry this message to other addicts, and to practice these principles in all our affairs.*

### December 2011: The Hopeful Side of Grief

*From the December 2011 Grapevine Magazine*

#### By sharing his sorrow a member helps others

At this moment, 32 years sober, I feel that I am one of the most fortunate members of AA. I buried two daughters in a period of nine months as a result of auto accidents. Honour and Erin, capable, redheaded young women, never reached the age of 23. I am not unique; I know other members have lost children and gone on. I survived a stroke that paralyzed my left side, and I was able to learn everything again—walking, eating, driving, and most important, how to pray and be grateful. Dr. Paul was not out of his tree when he wrote in his story in the Big Book, “Nothing happens in God’s world by mistake.”

The night Erin died I hurt so; I knew I must make a meeting. Another member was there crying. When I shared my loss I learned that he also had lost his daughter that very day. He and his wife were away from home when they got the news. His wife stayed at the motel, and he came to a meeting. God showed us we could carry the message; we were not being punished.

I was put in the right place, not by accident, but to share my feelings with another suffering alcoholic. I knew that crying would not change the reality of that day. The light of wisdom that comes from working the program showed me that crying changes nothing. I knew I belonged in

meetings, turning my life over, expressing my anger and sharing with other alcoholics. I probably owed my daughter amends I would never be able to make. Through prayer and meditation I would have a chance to remain sane and regain purpose. Only by action in the Steps and the divine magic of one alcoholic talking with another alcoholic could I find the relief that is called serenity. Seventy plus years old, the program still has the power to answer all our problems.

A drunk fell off a cliff and grabbed a bush and asked God to save him, promising God that he would change. God said, “Yes, now let go of the bush.” The drunk asked if there was anyone else who could help him. That’s the deal. God can help if we have the faith to turn it over; nothing but that. Let it go no matter how scary. Faith and nothing but.

## Holiday Alcothons

The Holiday Season can be a difficult time for us. Please do yourself a favor and keep in touch with your support group, attend meetings and be of service. One way to be of service during the holidays is volunteering to chair a meeting at your local Fellowship Alcothon. But you don’t need to chair, you can just show up and be present. For more information on Holiday Alcothons stop by your local AA Fellowship or call Central Office at 475-5782.

*“As in no other season we of AA gratefully reflect upon that miracle of rebirth and regeneration which has befallen us; we joyfully gaze upon the ever brighter radiance that suffuses our once dark world.”*

## Service Opportunities

### 24 Hour Diverter - a 24 hour call line staffed by A.A. members.

Arguably one of the most rewarding service positions in Santa Cruz County AA. So if you're looking for a great way to keep sober and be of service then volunteer to cover one of the call line times.

*"I am responsible -  
When anyone, anywhere, reaches out for help  
I want the hand of A.A. always to be there.  
And for that: I am responsible."*

The times of monthly service opportunities are continually changing so there is almost always a time that will fit into your busy schedule. The service commitment consists of being available to take and respond to phone calls for a 2 to 4 hour shift once a month.

To volunteer or for more information please call Central Office.

## Hospitals and Institutions (H&I)

Ever wonder what H & I does or what its purpose is? Well, now you can find out first hand. The H & I Committee will be holding an orientation every fourth Wednesday at Central Office at 6:30pm, prior to our monthly business meeting at 7pm. All are welcome to attend.

The H & I Committee is looking for a Recording Secretary. The sobriety requirement is one year, but we are willing to waive time for the right person. If you are interested in volunteering please attend our monthly business meeting on the fourth Wednesday at Central Office at 7pm.

Please contact Central Office at (831) 475-5782 if you are interested in any other service commitment with H & I.

## Public Information/Cooperating with The Professional Community (PI/CPC)

Volunteers needed to inform students, probation officers, doctors and others about what A.A. is and what A.A. is not. Servicing literature racks, making sure drug court has a current list of open meetings, or attending health fairs at a school or college. The Committee meetings are on the 3rd Thursday of the month at Central Office at 7:00 PM. Sarah S. is the new Chair and can be contacted at [bsasy@aol.com](mailto:bsasy@aol.com) or at (831) 588-1863.

## Bridging the Gap (BTG) — Bridging the Gap to Lasting Sobriety

Do you remember stepping out of a hospital, treatment center or correctional facility and asking yourself, "Now what?" Sobriety was new. Many of us were full of hope for the future and fearful of what it would take to stay sober. Sometimes we found AA on our own, other times AA reached out to us. Those of us who made it to the rooms of Alcoholics Anonymous found a community of people who were living the solution and eager to share their experience, strength and hope for lasting sobriety. Bridging the Gap (BTG) is a world-wide service offered by AA that supports that very important first step for alcoholics who have just been released from hospitals, treatment centers or correctional facilities. We help newcomers make the transition to AA communities in their home towns. The way it works is newcomers fill out a request for assistance at a treatment facility to get to that first meeting then BTG finds a volunteer that shares the same sex, age, and zip code. Upon release, the volunteer calls the newcomer to find out what kind of help is needed to get them to that first meeting. Frequently, sponsorship blossoms from this encounter.

BTG in Santa Cruz County is making presentations at the Camp Recovery Center, Santa Cruz Residential Recovery and Rountree Detention Center (aka "The Farm"). We receive an average of twenty five requests for assistance every month. Some of those newcomers are local and need local volunteers to reach out to them. We're looking for male and female volunteers from the Watsonville and the San Lorenzo Valley areas, but please don't shy away because you don't live there! Volunteers may be contacted often or infrequently depending on the volume and demographics of the newcomers and volunteers. Interested? Contact Jon B. (Santa Cruz District BTG Chair) for more information: [btgsantacruz@gmail.com](mailto:btgsantacruz@gmail.com)
